

HCIactive is the leading InsurTech platform for consumer-centric digital policy administration

Achieve Greater Consumer Intimacy and Loyalty

Consumer-Centric Plan Design and Experience:

Advanced analytics to synthesize disparate market, policy, and consumer insights to create the right consumer-centric insurance plans and user experiences.

Intelligent Distribution & Sales Automation:

Streamline administration processes by utilizing intelligent ecosystem automation across reinsurers, underwriters, brokers, insurers, TPAs, providers, and employers.

Time-to-Scale Operational Agility:

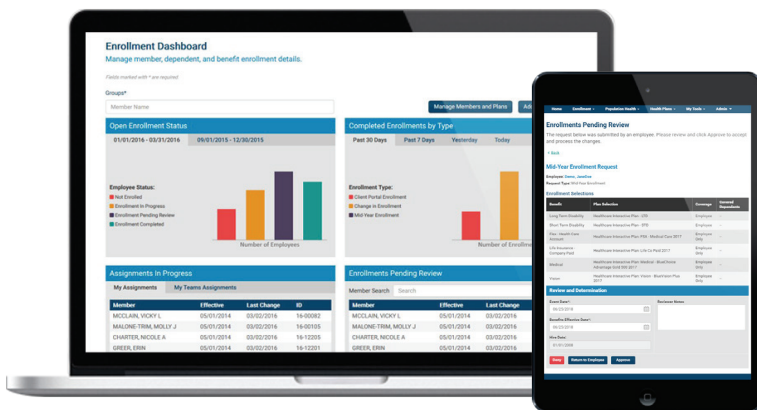

Accelerate solution roadmap for market growth with turn-key solution plug-and-play and Single-Sign-On to all vendor partners to ensure operational agility.

A Single Platform for Policy Lifecycle Management

QUOTE. Configure plan designs; empower agents & brokers; enable reinsurers, underwriters & TPAs; create quote proposals that meet the unique needs of local employers and employees.

ENROLL. Utilize automation and analytics to establish a consumer-like digital enrollment experience driven by consumer preferences, relevant policy recommendations, and payroll implications.

ENGAGE. Manage provider networks, member verification, wellness & population health, care coordination, claims and financial management, wearable devices, digital education, and health coaching.
